## OUR ADVANCED CLINICIANS

**Mitchell J. Ross, M.D.**  
*Board Certified Dermatologist*

Dr. Ross, who leads the medical team at Greenwich Medical Spa, has trained with several of the world's leading physicians and surgeons and is an expert in the diagnosis and treatment of all types of dermatological conditions. He possesses an impressive background, having earned a B.S. from Harvard University and graduating from Tufts University School of Medicine before completing his medical internship at Carney Hospital and his dermatology residence at Columbia University. In addition to providing an advanced selection of cosmetic medical services at Greenwich Medical Spa, Dr. Ross has a private dermatology practice serving an international clientele.

**Amanda N. Pucci**  
*Clinical Director, Aesthetic Nurse Practitioner*

Patients love Amanda's caring personality and aesthetic knowhow, which is why this Nurse Practitioner was voted one of the TOP 25 most loved injectors in the country by the RealSelf audience. In addition to her vast experience with cosmetic treatments, she has extensive training in the medical field, having earned a B.S. in Nursing from Villanova University and working in the Medical Intensive Care Unit at New York University Langone Medical Center. Additionally, she obtained board certifications in both Critical and Cardiac-Vascular Nursing. At NYU, she became a nurse clinician in the cardiac catheterization lab and earned an M.S. from New York University as an Adult-Gerontology Primary Care Nurse Practitioner. Finally, her interest in aesthetic medicine drove her acquire multiple certifications in aesthetic treatments from the American Academy of Procedural Medicine.

**Shilpa Desai**  
*Aesthetic Physician Assistant*

After an extensive career working as a pharmaceutical rep and as a Physician Assistant in areas including radiology, general neurology, hematology, oncology, vascular surgery, emergency medicine and respiratory therapy, Shilpa entered the medical aesthetic industry. Part of her decision was based on seeing positive changes in the life and confidence level of her medical patient who decided to get BOTOX and dermal filler injections. Holding B.S. degrees in Respiratory Therapy and Applied Science, as well as an M.S. in Physician Assistant studies from Mercy College, Shilpa brings her significant medical experience to perform aesthetic treatments at Greenwich Medical Spa. She has enhanced her medical knowledge with advanced training and certifications in BOTOX and fillers.

**Stephanie Oertel**  
*Aesthetic Physician Assistant*

Patients love Amanda's caring personality and aesthetic knowhow, which is why this Nurse Practitioner was voted one of the TOP 25 most loved injectors in the country by the RealSelf audience. In addition to her vast experience with cosmetic treatments, she has extensive training in the medical field, having earned a B.S. in Nursing from Villanova University and working in the Medical Intensive Care Unit at New York University Langone Medical Center. Additionally, she obtained board certifications in both Critical and Cardiac-Vascular Nursing. At NYU, she became a nurse clinician in the cardiac catheterization lab and earned an M.S. from New York University as an Adult-Gerontology Primary Care Nurse Practitioner. Finally, her interest in aesthetic medicine drove her acquire multiple certifications in aesthetic treatments from the American Academy of Procedural Medicine.

**Jacquelyn Sirgant**  
*Aesthetic Nurse Practitioner*

Jacquelyn was deep into a career in nursing when she discovered the field of aesthetics. She had earned an A.S. in Nursing from SUNY Orange and took her NYS boards to become a Registered Nurse, then graduated with honors from Dominican College with a B.S. and an M.S. in Nursing. She worked as a Cardiothoracic ICU RN, in Level I Trauma ER, and in an outpatient cardiology office. She holds certifications in BLS and ACLS and is a Family Nurse Practitioner (FNP-BC) Board certified by American Nurses Credentialing Center. After years of taking care of patients when they were ill and deciding she would like to care for them when they were well, Jacquelyn moved to aesthetics and became certified in BOTOX and fillers by Esthetic Skin

**Ellen Tartaglione**  
*Aesthetician*

Since joining Greenwich Medical Spa in 2007, Ellen has utilized a holistic approach to skincare and educates patients about combining healthy habits with proper homecare and professional treatments. With her vast knowledge of skincare, Ellen played a critical role in the development of the Greenwich Medical Spa Acne Clinic, researching solutions for acne sufferers and assisting them in achieving clear skin now and in the future. For Ellen, skincare was a passion she followed after a successful career working in administration for Fortune 500 companies in the film and production industry. To launch her new profession, she earned a degree from the highly regarded Atelier Esthetique Institute of Esthetics in NYC and a postgraduate degree from the Dermal Institute.

**Susana Boling**  
*Aesthetician*

After attending an aesthetics show in New York City, Susana, who already held a bachelor's degree in International Business, returned to school to earn a license from the New York School of Esthetics. Today, she also holds several certifications from the International Dermal Institute, Christine Valmy, PCA Advanced Peels and Face Reality and is certified in laser treatments. Throughout her professional experience, Susana has gained exceptional proficiency in medical aesthetics and working with ethnic skin. She is fluent in Spanish and conversant in Portuguese. In addition to providing DiamondGlow treatments, Peels, and helping patients in the Greenwich Medical Spa Acne Clinic, Susana is an expert when it comes to product lines – she has worked with 25 of them – and customizes treatment plans to fit any budget.

**JoAnn Pucci**  
*Aesthetician*

JoAnn came to Greenwich Medical Spa with more than two decades of experience in the aesthetics industry. She graduated from Wright Technical School with a hairdressing and cosmetology license and has since earned multiple certifications in skincare, including SkinMedica, Needlelogics, HydraFacial, and SilkPeel. During 17 years with Southern Connecticut Dermatology, JoAnn built her reputation as one of the leading practitioners in the area. Throughout her vast experience, she has enjoyed participating in the evolution of the industry, learning about new products, and growing her knowledge of advanced aesthetic treatments.
